LOTS AVAILABLE FOR PURCHASE AT PINE GROVE CEMETERY

LYNN- DPW Commissioner Jay J. Fink and Pine Grove Cemetery Chairman, Arthur Dulong, are reminding the community that now that the new "Starling Section" is complete, community interest has been generated much more than expected.

Potential purchasers of double depth burial sites are encouraged to purchase *PRIOR* to June 1st, 2009, as new rates will be in effect. The Board of Cemetery Commissioners have approved that the current rate of \$1000 for residents and \$1400 for non-residents will be increased to \$1250 and \$1800 respectively. The new rates are still substantially less than rates of our neighboring communities.

Lynn residents and non-residents can purchase lots by application to the Cemetery Commission, while space is still available. Payment, in full, in the form of a personal check or cashier's check is required, as the department does not accept cash or credit cards. For more detailed information, copies of the Pine Grove Cemetery's approved rules and regulations and schedule of fees can be obtained at the DPW Administrative Offices located at 250 Commercial Street. For lot selection, an up-to-date plot plan is available to potential purchasers for viewing.
